

FYP/FYT Report Submission Instructions

Step 1. Login using your username and password via the following web link:

<http://fypms.iasdm.org/fypms/login/>

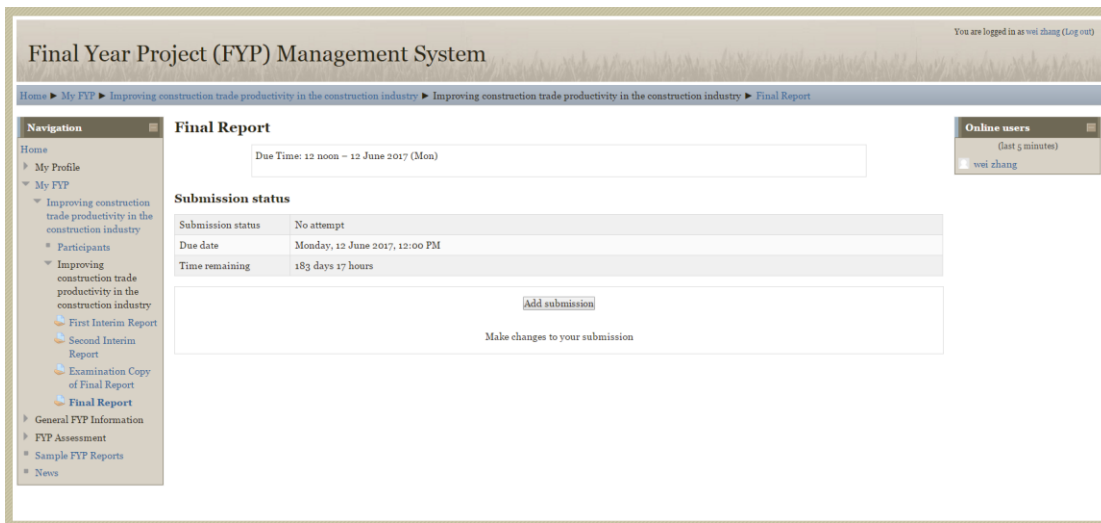

Step 2. Click the title link of your assigned FYP. The figure below shows an example of a FYP/PYT entitled “Improving construction trade productivity in the construction industry”.

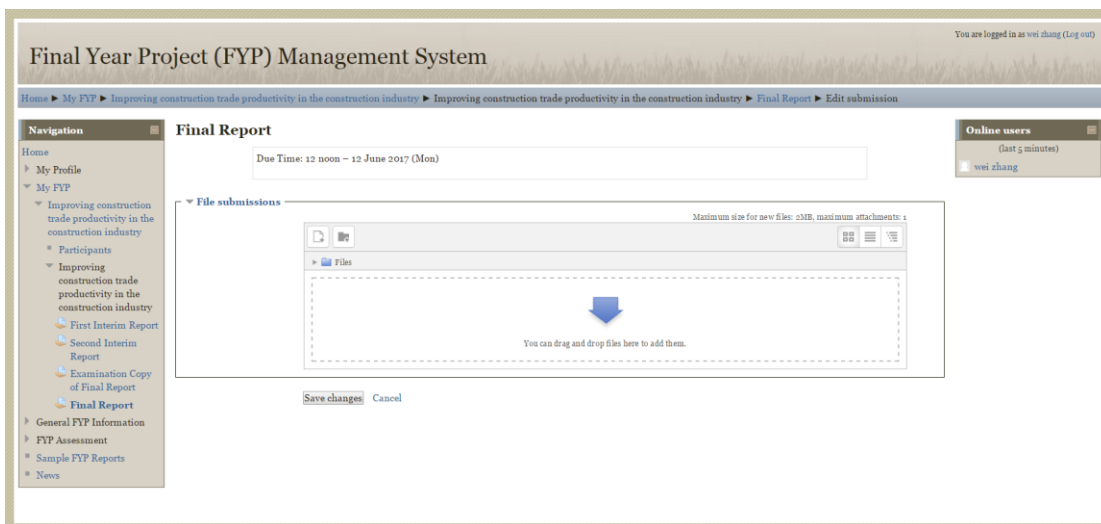

Step 3. Click the report submission task you intend to make. For example, as shown in the following figure, click the task “Second Interim Report”.

Step 4. Click the add submission button to submit your report.

Step 5. Click the add icon to upload your file or simply drag and drop your file to the file submission box.

Step 6. Further edit your submission or finally submit your report.
